

REMARKS

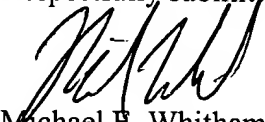

Claims 1-20 remain in the application. Claim 13 has been amended to correct a spelling error.

All claims were rejected under the judicially created doctrine for obviousness type double patenting. This rejection is traversed in view of the terminal disclaimer which is being filed in this concurrently with this amendment.

Since no other issues remain in the case, the application should now proceed to allowance. Should the Examiner find the application to be other than in condition for allowance, the Examiner is requested to contact the undersigned at the local telephone number listed below to discuss any other changes deemed necessary in a telephonic or personal interview.

A provisional petition is hereby made for any extension of time necessary for the continued pendency during the life of this application. A check in the amount of \$110 is attached to satisfy the terminal disclaimer fee. Please charge any fees for such provisional petition and any deficiencies in fees and credit any overpayment of fees to Attorney's Deposit Account No. 50-2041 (Whitham, Curtis & Christofferson, P.C.).

Respectfully submitted,
